

Virgo New Moon: The Divine Feminine

1. Kali, how can I liberate my soul from dreams that no longer speak to my heart?
2. Lakshmi, what seeds do I need to sow to attract abundance (both spiritual & material) into my life?
3. Saraswati, what words of wisdom can you impart to ignite my soul?
4. Durga Ma, what dreams do I need to hold on tight to and defend?
5. What do I need to shift for Shakti, the primordial creative energy of the universe to rise up within me?
