

# Sagittarius New Moon: Sparking YOUR Flame

.....

1. What visions should I follow and not ignore?
2. How can I connect with the Element of Fire to help me manifest my New Moon intentions over the next 28 days?
3. What type of higher learning or self development training should I pursue in the new year to help me expand spiritually?
4. Where should I look for inspiration when I don't feel passionate or lack the motivation to follow my dreams?
5. What medicine does the Sagittarius New Moon offer?
